

PT. Guardian Kreasi Sejahtera

ENGINEERING & GENERAL SERVICE

COMPANY PROFILE

YOUR SOLUTION PARTNER

ABOUT US

PT. Guardian Kreasi Sejahtera start from our founder experience more than 20 years in Compressed Air System and Piping System in various Industry. We bring out a mission to provide the greatest benefits and contributions for many people, this is the basic of PT. Guardian Kreasi Sejahtera is established and continues to grow up. We have a committed to give a best Quality Service and Product to Our Customer.

Why Choose Us?

- More than 20 years of experience
- Certified and highly skilled professionals
- Fast response and problem-solving oriented
- Guaranteed quality of work
- Customized solutions tailored to industry needs

VISSION & MISSION

VISSION

To become a leading supplier of materials for the manufacturing industry (petrochemical, cement, pulp & paper, etc.) and the oil & gas sector, including products such as pipes, fittings, valves (manual & control), steel, plates, flanges, stud bolts, nuts, and others.

MISSION

To become the best business partner for customers by providing fast and responsive service.

To deliver effective, efficient, and high-quality products and services.

To continuously enhance team capabilities in order to maintain and improve company quality.

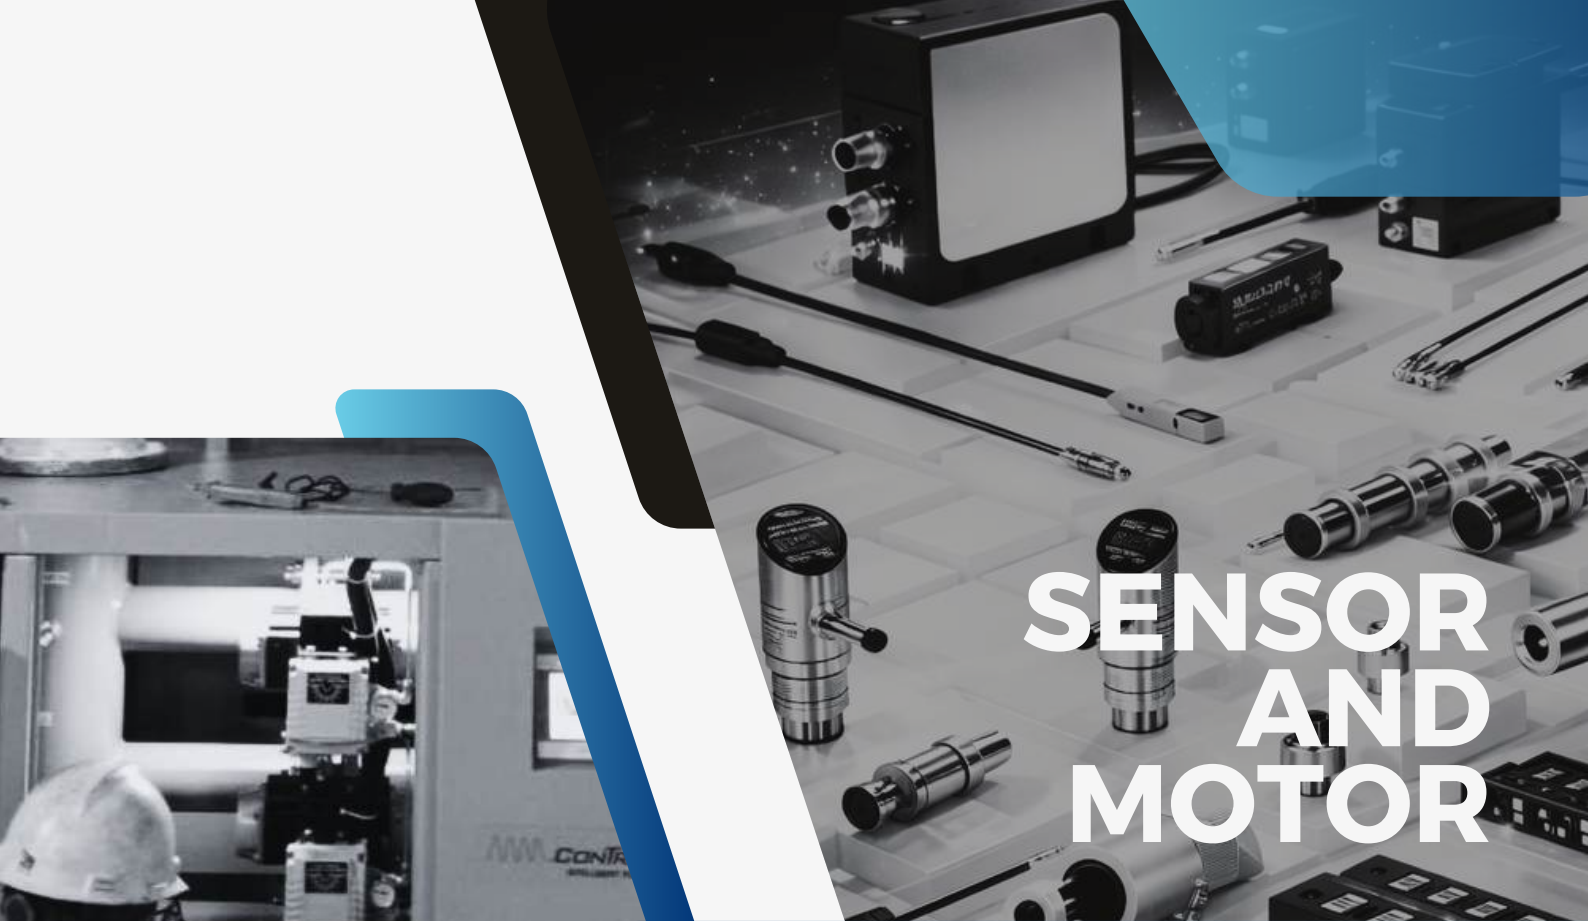

To offer competitive pricing and ensure on-time delivery.

OUR SUPPORT

We deliver reliable and efficient solutions to keep your equipment running at optimal performance.

- Sizing
- Supply Units
- Supply Parts
- Troubleshooting
- Overhaul
- Re-Bearing
- Re-Winding
- Others

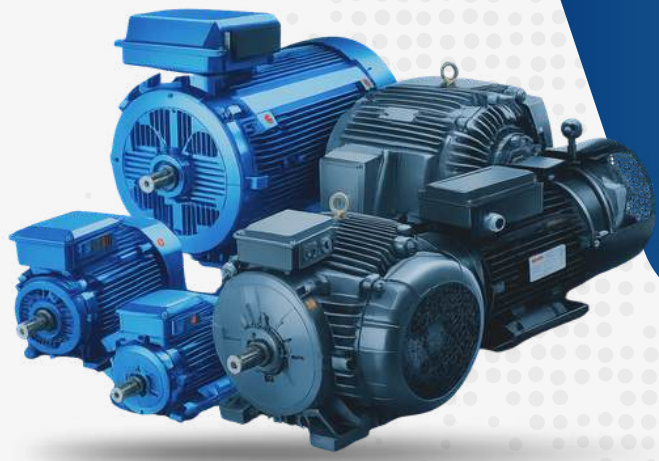

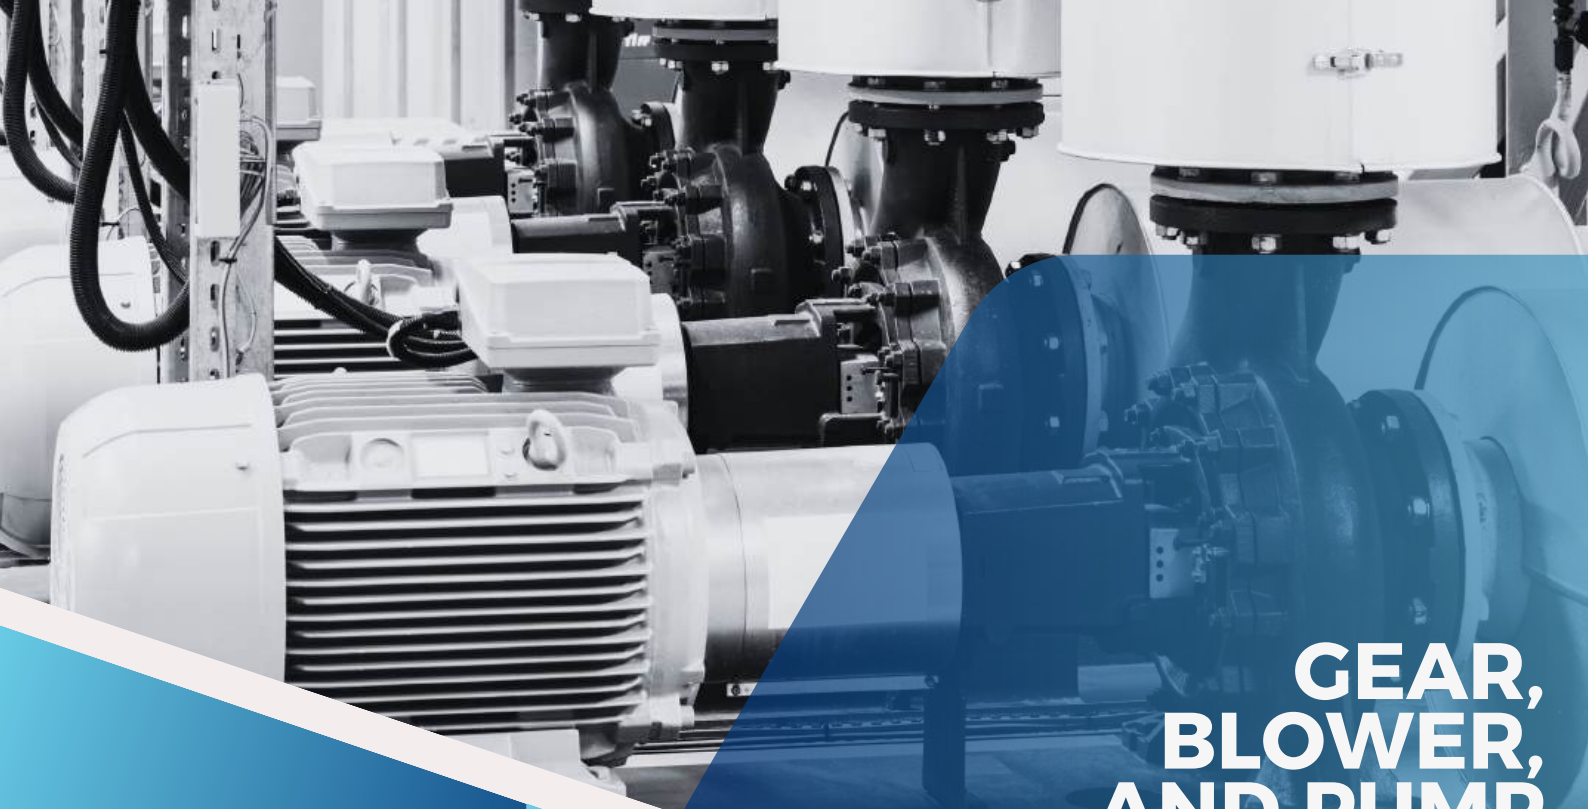

SENSOR AND MOTOR

Delivering precision and power for modern industries, our sensors and motors are engineered to maximize performance and reliability. Built with advanced technology and superior quality materials, our solutions ensure seamless operation, higher efficiency, and reduced downtime.

GEAR, BLOWER, AND PUMP

GEARBOX

BLOWER

PUMP

We provide solutions focused on strength, energy efficiency, and durability. Supported by our team's technical expertise, each piece of equipment not only performs optimally but also increases overall productivity.

PRODUCT SUPPLY

We provide high-performance valve and steam system solutions designed to ensure efficiency, safety, and long-term reliability across industrial operations.

VALVE CATEGORY :

- Gate
- Globe
- Check
- Ball
- Butterfly
- Knife
- Plug
- Manual and control valve
- Pneumatic
- Electric actuator

STEAM VALVE, DESIGN & PIPE SIZING :

- Steam Trap
- Air Trap
- Air Vent
- PRV
- Sight Glass
- Separator
- Condensate Pump Recovery

INDUSTRY WE SERVE

Industry Market

Oil & Gas

Mining

Power Plant & Energy

Chemical & Petrochemical

Pulp & Paper

Iron & Steel

Shipbuilding

Marine

General Industries

INSTRUMENTATION FITTINGS & VALVES

Engineering for reliable performance in the most demanding applications

PRODUCT RANGE

- Tube Fittings
- Pipe Fittings
- 37° Flared Tube Fittings
- Ball Valve Series
- Check Valve Series
- Needle Valve
- Relief Valve
- Manifold Valve
- Bleed Valve
- UHP Fittings
- Diaphragm Valve
- Low Pressure - Pneumatic Actuating Operation
- Low Pressure - Manual Operation
- SP Coupler
- Condensate Pot
- Partners

KEY FEATURES

-  **316 Stainless Steel**
Superior corrosion resistance
-  **High Pressure Ready** (up to 1000 psig)
-  **Max Flow, Zero Compromise**
Optimized flow capacity
-  **Compact & Efficient**
Minimal dead space design
-  **Electropolished Finish**
Ultra-clean, chemical resistant
-  **Clean Room Processed**
Premium-grade cleanliness
-  **Smooth Operation**
Low torque, quarter-turn control
-  **Long Cycle Life**
Built for durability & consistency

BL Series
Hex Ball Valve working Pressure Max. 1000 Psig

Manifold Valve

Diaphragm Valve

BUSINESS AREA

Semiconductor

Petrochemical

Natural Gas

Generation

Marine Shipbuilding

OUR CLIENTS & PARTNERS

Our clients and partners are at the core of our success. Through strong collaboration and mutual trust, we consistently deliver solutions that meet the highest standards of quality, reliability, and performance.

PREFORMED LINE PRODUCTS
